

## **Information for interested parties!**

The list of 3358 geographical indications that are protected within the territory of the European Union countries has been published in the official bulletin № 2 of 2019 of the Patent and Trademarks Examination Office under the Intellectual Property Agency of the Republic of Azerbaijan. The mentioned list is also posted on the official website of the Center [www.patent.gov.az](http://www.patent.gov.az) in the "**Publications**" and "**Geographical Indications**" sections.

For more information about the abovementioned geographical indications or in order to appeal on any matter in this regard, please contact Anar Huseynov, acting head of the Sector for International Trademarks Examination of the Center, by phone: (+99412) 4498489 (extension number 160), mobile: 055 7825243.
